

This is a **Recognition Booklet**, an accounting tool used to facilitate exchanges within *The Fabric of Wishes*, a mutual assistance movement by and for individuals where we equip ourselves with individual and co-individual tools and practices, such as **Wishing Circles** and recognition booklets, in order to weave the *starry fabric* of our aspirations, and to weave it firmly by looming, and then sharing our wishes with the constellations of our fellow human beings. — *What if all it took was for us to start communicating with one another again ?*
